The Women of Mixit Tallahassee *presents*

Celebration! An Evening with Women

The premier social and award night honoring recipients of the "Spirit of Rosie Award"

Join Mixit Tallahassee at a Pre-Pride event unlike any other; bringing lesbian, bisexual, transgender, and queer women and their friends together for an incredible evening of dancing and celebrating the achievements of women who have broken down barriers and proven that "We Can Do It!" It's also an evening with extraordinary entertainment.

This year, *Celebration! An Evening with Women*, takes place Friday April 9, 2010 at the American Legion Hall. Entertainment provided by Tallahassee's very own DJ Fusion, of Fusion Enterprise. She'll be spinning the best 70's, 80's, 90's and top 40 hits. Yes,...we said she!

But first, all the way from Ashville Alabama and for 1 night only, the acclaimed guitarist and vocalist **Kris Harrison** will serenade you with her original acoustic/folk rock/pop songs. Her extensive showcase of music classics includes a range from the Cranberries to The Dave Matthews Band to REM, and everything in between.

Celebrate your true colors and join the pre-pride festivities with lively entertainment, good company, and new & familiar friends...all for a wonderful cause!
