## **Sigma Cinema with Mixit Tallahassee**

Sigma Nu Beta and Mixit Tallahassee present the genre-bending documentary *Fish out of Water* during the Sigma's Founder's Week.

You might think you know where the Bible stands on the subject of homosexuality, but when was the last time you actually checked? In the spirited documentary *Fish out of Water*, filmmaker Ky Dickens explores the seven most notoriously homophobic Bible passages with the help of a group of theologians from across the religious spectrum. Presented as a mix of insightful interviews and endearing animation, Dickens' discoveries are sure to shock, amaze and delight.
